DIRECTIONS FOR USE

LIQUI-PLEX BONDER is a source of amino acids for agronomic crops. Apply 16-64 oz/acre depending on soil and or plant requirements.

SHAKE WELL BEFORE USE

STORAGE & PRECAUTIONS: Store in a cool, dry place between 34° and 100° F. Do not store in direct sunlight. Do not store diluted product. Keep container tightly sealed when not in use. Product performance is best if stored under these conditions and if used within 18 months from date of manufacture.

Liquid should not be consumed. When used in conjunction with fungicides and insecticides, the following precautions apply: Do not inhale mist. Wash with soap and water after use or skin contact. Prevent contamination of food, utensils and drinking water. Dispose of contents/container to hazardous or special waste collection point in accordance with local, regional, national and/or international regulation. **KEEP OUT OF REACH OF CHILDREN**
