DIRECTIONS FOR USE

Vegetable & Row Crops: Apply 2-4 gal./acre as a foliar spray every 1-2 weeks through flowering. Melons: Reapply after first harvest. Peanuts: Add to herbicide and fungicide applications. Cotton: Add to herbicide and boron applications.

Transplants: Mix 1 pt. per 25 gal. of water.

Citrus & Tropical Fruits: Apply 1-2 qt./acre beginning at pre-bloom. Repeat every 30 days. May be tank-mixed with nutritional applications.

Greenhouse & Nursery: Apply 1 qt. per 100 gal. every 30 days as a foliar spray, soil drench, or through injector systems.

Lawns, Turf & Golf Courses: Apply 1-2 qt./acre monthly or as needed. May be tank-mixed with nutritional or herbicide applications. Suitable for Zone Management Oriented (ZMO) programs.

Net wt. 9.6 lbs

128 oz

CAUTIONS: Avoid getting in eyes, mucous membranes or on skin. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate water supplies.

KEEP AWAY FROM CHILDREN.

ANTIDOTES: Skin or eye contact: Flush thoroughly with water and see a physician. Internal: Induce vomiting if conscious and get medical attention at once.

CAUTION: Avoid spraying painted or concrete surfaces as staining may occur.

CONDITIONS OF SALE: Seller warrants that this product conforms to the ingredients stated on this label and is fit for its intended use when applied as directed. Because conditions of use are beyond the Seller's control, liability is limited to replacement of the product or refund of the purchase price.
