“Bring Back” Spray

In turf, sometimes your grass just is not responding, and you need something to bring it back. Our “Bring Back” spray has you covered. A combination of available NPK, amino acids, and beneficial bacteria, this mix will have your turf responding in no time.

Millerplex 3-3-3 Foliar spray @ 1 OZ per GL or 4-6 Oz per acre

Millerplex provides the NPK necessary for growth, as well some sea kelp for stronger rooting. This works excellent to reduce abiotic stress, and improve nutritional conditions and uptake.

C Suite CSA 4.4 Oz per acre

A consortia of naturally occurring beneficial microbes can help the turf recover from stresses.
